

# THE FRIENDS OF THE WICK COUNTRY PARK

## Consultation about the Proposed Interpretation Boards

### Background

We are hoping to get funding from Veolia towards the purchase of two lectern-type interpretation boards for the Park with a map and information about the facilities and the wildlife you might see. As part of our preparation, we would be delighted if you could spare a few minutes to share your views with us.

### The Concept

In principle, are you supportive of the idea of installing Interpretation Boards at the Park? Y / N  
Yes 67, No 0

#### If Yes:

*On a scale of 0 (not useful at all) to 10 (maximum), how would you rate the usefulness of the features listed below:*

	Percent	Ranking
A map of the pathways around the Park	94	1
Measured routes around the Park	81	7=
The location of seats / benches / picnic facilities	86	2
The location of dog waste bins	83	5
The location of geographic features, such as waterways, shrubland, woodland, grassland, .....	84	4
The location of buildings, car-parks, etc.	82	6
Pictures / Photos of the Park's main features, such as the lake, the brook, hedges, meadows, .....	81	7=
Pictures / photos of examples of the animals / birds / insects you might see	85	3
Pictures / photos of examples of the plants you might see	77	10
Brief explanatory notes about the Park's Features and Wildlife	80	9

### Location of the Boards:

Do you have any views about the location for these boards?

### Any other comments:
